## WHO

- All members of FPC are invited to participate and be a Secret Pal.
- We have over 50 current college students so we need "Plenty of Pals" to stay in touch with them.

## WHAT

- Secretly stay in touch with an FPC college student
- Letters, postcards, packages, sweet treats, gift cards and more are all ways to let them know FPC is thinking about them
- We ask you send something twice in the fall/winter and twice in the winter/spring. You are welcome to send more if you wish, but 4 times is all we are asking!
- We will send reminders during the school year to ensure all our students receive at least 4 things from FPC.
- You will remain a secret until the end of the school year.
- In May, there will be a "Reveal Brunch" where you will be revealed to your Secret Pal.

## WHEN

- Now! We are recruiting Secret Pals starting now for the 2021-22 college year.
- Sign up on church website or email Meaghan Texer @ [meaghan@texergroup.com](mailto:meaghan@texergroup.com)

## WHY

- We want our college youth to know how much we care about them and experience different ways people show they care.
- This is a time of transition from youth to adult, and it is important to encourage and support them
- You are representing the whole church...It isn't about the "stuff", it is the caring relationship from our church family we want to emphasize!

## HOW

- Included to the left is a list of FPC college students
- You can choose your student/students, or we will provide you with a few choices & you can pick.
- First come first serve basis - if you have someone in mind, please sign up ASAP!
- We will provide college address along with a questionnaire they completed with some of their favorite things.
- Your return address will be the church office to keep it a surprise.
